Discouraging.
Mikins—"I understand your daughter is learning to play the piano."
Biffins—"Then your understanding must be better than mine. It sounds more like work than play."

RECREATIONS
PARK.
Mr. Carlisle withdraws from the Park Theater on Saturday and will take a couple of weeks' rest. He sings a con song this week with good effect. The feature tonight will be the "Fish Pirates," a picture full of exciting sensations and extremely interesting. Other good pictures will make up the program. Some time ago, through an oversight a delayed announcement on a billboard stated that "Cohen at Coney Island" would be shown. Many persons visited the Park for the purpose of seeing the laughable picture and were disappointed. The film was recalled from the coast by cable and will be shown this Friday night only. Patrons of the theater who were disappointed that night will be given free tickets on calling at the Chambers Drug Store at the corner of Fort and King streets.

EMPIRE.
A picture that is filled with snap and sensation is to be shown at the Empire Theater tonight under the title, "Tales of the West." It is a rattler from start to finish and is known to all motion picture men as a "thriller." And there is fun enough in it to keep the audience in good humor during the evening. Perhaps the feature film should be "Vercingetorix" (Gaul's Hero), because it is a Pathe and beautifully colored. It is a historical number that will be enjoyed by everybody, and it is instructive and consequently should not be overlooked by children of a school age. A bit of fierce comedy is shown in "Trying to Get Arrested." In the class with wrinkle chasers, this film has been in demand all over the mainland since it was first released by the manufacturers.

ORPHEUM.
Attendance at the Orpheum has been large in spite of the tremendous gatherings at the Princess Rink. Messrs. Oro and Earle and the pretty chorus girls have been driving dull care from the heads of the thousands who go to the show in a way that has been most cheering. The program this week is exceptionally good; couldn't be better if the company tried or if the audience made its own selections. Manager Cohen struck the key note with his cheap vaudeville and he has got the public into the fashion of going out of doors at night for a little amusement instead of moping around the house killing mosquitoes.

ART.
There is something for a change of program at the Art today that will make you sit up and take notice. It is a Kalem film, entitled "The Mysterious Double." It is the very ideal of clear moving pictures, being in excellent conditions, and tells the story of one of those mysteries of life which occasionally happen. You will find as the principal actors a young girl of a fine Southern family who wanders into a village and becomes most remarkably mixed up with some roving and thieving gypsies. There are two girls, you see, and they are so strikingly alike, that their own mothers cannot identify them for a while. When this denouement takes place there is reconciliation and happiness.
The Leases have gone to Hilo to play at the Gaiety Theater, also owned by Bailey & Lawson, but will reappear for ten nights upon their return.

HAWAIIAN TENOR.
The Empire management has secured the services of E. M. K. Rose, a Hawaiian, whose tenor voice has captivated the people on the Orpheum circuit in the United States. He will sing this evening for the first time. The pictures will be unusually good and the patrons of the Empire will be given an opportunity to judge between the exciting life of the cowboys on the plains and that of the duels of the old West. "Vercingetorix" hero of the Gauls, is shown in a series of handsomely colored pictures. This is one of the most beautiful and realistic pictures ever shown on a screen. The comedy film is "Trying to Get Arrested," too funny to describe and a scream from beginning to end. The pictures, together with the singing of Mr. Rose, furnishes a complete and most satisfactory program.

PIANO TUNING
More pianos are injured by unskilled tuners than by hard use.
Mr. E. Gleske with Thayer Piano Co. has had scientific training and twenty years' experience. A piano overhauled and tuned by him brings out its original quality as near as is possible.
